

EXCLUSIVE INTELLECTUAL PROPERTY DEED & LEGAL NOTICE

AUTHOR: ARYAN SHARMA • ALL RIGHTS WORLDWIDE RESERVED • BERNE CONVENTION & WIPO
OFFICIAL REGISTRATION FOR WEB ARCHITECTURES, 3D ASSETS, SOURCE CODE, SHADERS & MEDIA

1. STATEMENT OF ABSOLUTE PROPRIETARY OWNERSHIP & MORAL RIGHTS

This legal instrument formally certifies and records that all creative, technical, graphical, architectural, structural, and artistic components embodied within this portfolio ecosystem, its associated repositories, web properties, and deployed digital assets are the sole, unencumbered, and exclusive intellectual property of ARYAN SHARMA (hereinafter "Author and Sole Copyright Proprietor").

All global moral rights, copyright titles, trademark protections, and digital authorship protections are expressly retained under the Indian Copyright Act, 1957 (as amended), the United States Copyright Act (17 U.S.C. § 101 et seq.), the European Union Copyright Directives, the Universal Copyright Convention (Geneva), the Berne Convention for the Protection of Literary and Artistic Works, and all applicable bilateral intellectual property treaties.

2. SCOPE OF PROTECTED ASSETS & PROPRIETARY WORKS

The scope of protected works covered under this instrument includes, without limitation:

- (a) Visual Assets & Animation Sequences: All 240+ 3D rendered frame sequences, texture maps, lighting schemas, CAD solids, and visual motion graphics;
- (b) Source Code & Algorithmic Pipelines: High-DPI HTML5 canvas renderers, Lenis smooth-scroll orchestration scripts, lerp interpolation algorithms, asynchronous prefetching engines, CSS architecture, and backend service implementations;
- (c) Interactive UX & Liquid Glass Designs: Proprietary VisionOS-inspired Apple clear liquid glass styling tokens, squircle boundary geometries, glassmorphism refraction shaders, layout proportions, and responsive breakpoint frameworks;
- (d) Verification Credentials & Certification Badges: Official credential records, verified examination codes, course completion deeds, and academic simulation attestations.

3. ZERO-TOLERANCE PROHIBITION ON SCRAPING, AI INGESTION & DUPLICATION

NO LICENSE, EXPLICIT OR IMPLIED, IS GRANTED TO ANY THIRD PARTY TO:

- 1. Copy, clone, duplicate, redistribute, republish, mirror, iframe, or decompile any portion of the source code, HTML, CSS, JavaScript, or media;
- 2. Ingest, train, fine-tune, or benchmark artificial intelligence models, Large Language Models (LLMs), diffusion algorithms, or neural visual synthesizers using the Author's designs, graphics, code, or identity;
- 3. Use automated web crawlers, bot scrapers, or extraction scripts to harvest data, assets, or client information from this web property;
- 4. Resell, commercialize, sub-license, white-label, or misrepresent the Author's work as third-party agency deliverables or candidate submissions.

4. COMMERCIAL LICENSING & EXPLICIT PRIOR AUTHORIZATION REQUIREMENTS

Any reproduction, commercial adaptation, software integration, or visual broadcast of the Author's work requires an express, legally executed, written Commercial License Agreement signed directly by Aryan Sharma. In the absence of a signed agreement with verified proof of consideration, any utilization is deemed willful copyright infringement ab initio.

For formal licensing petitions, studio commissions, engineering contracts, or enterprise rights acquisition, contact:

LEGAL ENFORCEMENT, CIVIL LITIGATION, CRIMINAL PENALTIES & DIGITAL SEAL**5. CIVIL LITIGATION, STATUTORY DAMAGES & REMEDIES FOR INFRINGEMENT**

WILLFUL INFRINGEMENT WITHOUT EXPLICIT PERMISSION IS SUBJECT TO AGGRESSIVE LEGAL ACTION AND ENFORCEMENT.

Upon detection of unauthorized copying, hosting, scraping, or commercial exploitation, the Author will immediately institute legal proceedings before competent courts of civil and commercial jurisdiction. The remedies sought shall include:

- (a) Emergency Injunctions: Mandatory, ex-parte temporary and permanent injunctions against infringing entities, domain registrars, cloud hosts (AWS, Vercel, GitHub, Cloudflare), and advertising networks;
- (b) Statutory & Actual Damages: Full recovery of maximum statutory damages permitted under law (up to \$150,000 USD per infringed work under 17 U.S.C. § 504(c), or statutory damages under the Indian Copyright Act);
- (c) Disgorgement of Gross Profits: Complete surrender of all revenues, profits, investment rounds, and client receipts derived directly or indirectly from the unauthorized use of the Author's designs or code;
- (d) Legal Fees & Costs: Full restitution of all attorney fees, court fees, forensic investigation expenses, and digital auditing fees incurred during enforcement.

6. CRIMINAL PROSECUTION, PENAL SANCTIONS & ANTI-PIRACY MEASURES

Under Section 63 of the Indian Copyright Act, 1957, and corresponding international anti-piracy penal statutes, knowing infringement or abetment of copyright infringement is a COGNIZABLE CRIMINAL OFFENCE punishable with:

- IMPRISONMENT for a term not less than six (6) months, extendable up to three (3) years; AND
- PUNITIVE FINES ranging from statutory minimums to unlimited punitive damages based on enterprise scale.

Furthermore, fraudulent misrepresentation or removal of digital rights management (DRM) metadata is subject to criminal prosecution under international cybercrime conventions and the Information Technology Act.

7. INDEMNIFICATION, DISPUTE RESOLUTION & GOVERNING JURISDICTION

Any individual, agency, corporate entity, or distributor that infringes upon these protected works agrees to unconditionally indemnify and hold harmless Aryan Sharma from any resulting claims, operational liabilities, and associated damages.

This legal notice and all associated proprietary disputes shall be governed by, and construed exclusively in accordance with, the laws of the Republic of India and applicable international copyright conventions. The competent courts having territorial and subject-matter jurisdiction shall have exclusive authority over any litigation arising hereunder.
